

MATT Student Membership Form – New Member or Renewal

The Midwest Association for Toxicology and Therapeutic Drug Monitoring (MATT) strives to advance the science, research, clinical services, and education in various areas of Toxicology and Therapeutic Drug Monitoring.

The cost for annual membership is \$10 for students pursuing degrees in disciplines related to toxicology or TDM. This applies to new members or renewals. Lifetime membership is \$250. Submit check drawn on USA bank or money order payable to **MATT**. **Please include a resume or CV along with this application as well as a reference letter from a professor or a current MATT member.**
