2017 MATT Meeting

April 20-21

Crowne Plaza Hotel

5440 N. River Rd., Rosemont, IL 60018

CALL FOR PRESENTATIONS AND POSTERS

Presentations and posters are being currently accepted for the 2017 Annual Meeting of the Midwest Association for Toxicology and Therapeutic Drug Monitoring. If you are willing to present, please e-mail the title of your presentation and a short summary to Adam Negrusz at adam.negrusz@usdtl.com by **March 15, 2017**. We are sorry, but proposals submitted after the deadline will not be considered for the program. A formal abstract is not ultimately necessary. The summary should include the following elements: title, your name, names of co-authors if appropriate, organization name, the best email address, postal address, phone number, short summary of what will be discussed.

For podium presentation please let us know how much time you need. Our preference is either 15 or 30 minute time slot. The Committee may request the change of your presentation type, e.g., from podium to poster.

Upon acceptance of your presentation or poster, you will be asked to provide a short biographical sketch, no more than 200 words, and Power Point presentation by **March 25, 2017**. The summary, biographical sketch and Power Point presentation handout (for podium presentations) will be published in 2017 MATT Program and Presentations electronic booklet.

Thank you in advance!
